

Professional experience :

- 2010 **Sale/repair**
MKM småmaskinservice, Gothenburg
- Sale and repair of compressed air, electrical and hydraulic tools.
- 2009 **Translation work, (contract for my firm, Atech)**
Skandinavisk Kommunalteknik AB, Gothenburg, Sweden
- Translation of a sewer grinder pump manual, from English to Swedish.
- 2008 - 2009 **Technical salesman, (consulting, Atech)**
Scandiapumps, Kungälv, Sweden
- Sales and dimensioning, of different pumps for the industry and also sales of mechanical seals.
 - Translation, English to Swedish.
- 2008 - 2009 **Technical salesman (employment first, then consulting)**
Gotec AB, Gothenburg, Sweden
- Resale of pumps and related equipment, for refineries and petrochemical companies and also orders- and quote-writing.
 - The job was also to communicate in both English and French with suppliers.
- 2007 **Craftsman**
Proplex, Gothenburg, Sweden
- After adjuster of laser cut plates for H&M Sweden.
- 2006 **Mechanical designer**
TTS Ships Equipment, Gothenburg, Sweden
- *Auto-Cad* drawing and strength of materials calculations.
- 2005 **Craftsman**
East India company, Gothenburg, Sweden
- Construction and design of the rudder on the sailingship Götheborg.
- 2003 – 2004 **Salesman**
DJ&Company, Kungsbacka, Sweden
- Selling of tools, machinery and other supplies for building and home.
- 2001 – 2002 **Postman**
Posten, Gothenburg, Sweden
- 1999 – 2000 **Project**
René Composites Materials, Québec, Canada

- Project management of Finite Element strength of materials calculations for the repair of 1000-tonnes presses, in which parts for trucks were produced.
- Control measuring of the truck bodyparts dimensions.

1996 – 1998

Boatdesigns and analyses

Navtech, Québec, Canada

- Analysis with computer software *NavCad*; calculation of maximum boat speed, calculation and selection of optimum propeller and motor for different boats.
- Drawing of boatconstructions with software *AutoCad*.
- Translation of cargo ship drawings from German to English.

1984 – 1994

Design support Structural mechanical analysis (1991 - 1994)

Ericsson, telecommunication, Mölndal

Development and mechanical design of radar antenna structures installed in airplanes, satellites and different vehicles. The antennas were then manufactured of composite materials like kevlar, carbon fiber and partly steel and aluminum:

- Structural mechanical analysis and strength of materials calculations with Finite Element software *NASTRAN* and pre/post processor *PATRAN*.
- Report writing

Mechanical designer (1984 – 1991)

- Construction work with software *Norskdata* of boxes, equipped with electronical components, which were placed in the Swedish military aircraft JAS.
- Design and construction of assembling-, bending- and cutting-tools.

1989 – 1990

Thesis

Volvo Penta, Gothenburg

Thesis for my Master of Science degree, in the department of marine hydrodynamics:

- *Determination of speed through water for a planing craft*; Development and construction of a speed measurement equipment for a planing motorboat. The measuring equipment was then used under a boat and measurements were obtained. These measurements were then verified with confirming hand calculations.

Other experience :

- 1999 – 2000 ***Assistant soccer coach for boys aged 15 to 17.***
Association de soccer Pointe-Lévy, Québec, Canada
- 1997
military ***Interpreter for the Swedish national team in the biathlon***
world championship.
La Maison des langues, Québec, Canada
- 1983 – 1984 ***Deputy infantry squad leader***
Compulsory military service, I 16 Halmstad, Sweden
- 1981 – 1982 ***Electronics technician***
Sahlgrenska hospital, Electronics- och Instrument-workshop,
Gothenburg, Sweden

Education :

- 2009 ***Auto-Cad LT 10 - course***
Cad-Q, Gothenburg, Sweden
- 1985 – 1990 ***Master of Science degree in Mechanical engineering***
Chalmers University of Technology, Gothenburg, Sweden
- 1979 – 1983 ***Gymnasium engineer, Machine technical***
Aschebergs- and Frölunda-gymnasium, Gothenburg, Sweden

Software :

NavCad, Auto-Cad, Norskdata, Nastran, Patran och Word.

Languages :

English, French and German.

Hobbies:

Floorball, gym training and music.

Referenses:

Sent on request.
